regionalism, family, disability, the media, race, class and gender, to challenge students to think critically about the world around them.

Our Society: Human Diversity in Canada - Google Books

Diversity, for a long time now, has been becoming a part of our society. Each day our society becomes more and more diverse; we meet more people daily and each one brings a new perspective about something into our lives. People everywhere have different opinions and ideas that we might never have thought of.

Why Diversity Is Important In Our Society

Diversity comes in many forms: gender, race, religion, sexual orientation, age, culture, socioeconomic background, etc. All of these contribute to an individual's unique experience of the world. Sometimes we need to take a step back and examine the presence of diversity in
