Source: Source 1 Automotive. With an all new, twin-turbo-powered, all-wheel-drive Acura NSX bearing down on us, enthusiasts and amateurs alike are talking about all the features that this new sports car will have to offer. But what about the old NSX, with its aluminum chassis, superior handling characteristics, mid-engine layout, and infamous Honda reliability?

10 Mechanical Issues You May Have With the Used Acura NSX

Sometimes the owner was installing short gears or R&P anyway and Acura would give them the new transmission case since the owner was already paying for the labor to do their gear changes. However, again many dealers are unwilling to open an NSX transmission and work on the internals and will not do it even if you are willing to pay the entire cost.
