Based on reported cost data, a pool of approximately \$1.07 billion would be required to rebase air medical service rates in 2017 (Figure 1). This would account for significant growth and increased costs associated with the delivery of these services, such as:

- Air medical services have expanded into previously underserved rural areas.

Air Medical Services Cost Study Report - AAMS

This was the first day of my trip. I had been in a serious car crash months before and now was in Italy without a stroller. WORST SERVICE EVER. I am writing this review after 3 years of trying to get this sorted through the company. It is unfair that they treat there customers this way, and that I am out \$900. Shame on you Air Transat!

Air Transat - Airline Ratings
