A History Of The County

English county histories, in other words historical and topographical works concerned with individual ancient counties of England, were produced by antiquarians from the late 16th century onwards. The content was variable: most focused on recording the ownership of estates and the descent of lordships of manors, thus the genealogies of county families, heraldry and other antiquarian material; In the introduction to one typical early work of this style, The Antiquities of Warwickshire published i

A seat of justice for the county was laid out in 1846 near the center of the county on Brushy Creek and named Houston for the first president of the Texas Republic. The present courthouse, built in 1932, is the county's sixth. It was remodeled in 1977 and again in 2007. The Texas County Justice Center built in 2007-08 is greatly appreciated.
