Acting is Believing: A Basic Method book by Charles McGaw ...

The basic approach to acting is the same for the proscenium stage, theatre-in-the-round, motion pictures, television, and radio. The differences lie in the differing technical adjustments required by these various mediums. The approach here presented is based, to a considerable extent, on the methods of Stanislavski.

Acting Is Believing: A Basic Method For Beginners: Amazon ...

Acting is living an alternate life, as I said before. It is 'make believe'. The audience is only going to believe that you are the person you are playing to be, if you yourself believe that you are that person! To arrive from being who you are in reality, to who you are on stage, is a process which you have to go through.
