Affective Intelligence And Political Judgment

Remarkably accessible, Affective Intelligence and Political Judgment urges social scientists to move beyond the idealistic notion of the purely rational citizen to form a more complete, realistic model that includes the emotional side of human judgment.

Affective Intelligence and Political Judgment: Marcus ...

Although the rational choice approach toward political behavior has been severely criticized, its adherents claim that competing models have failed to offer a more scientific model of political decisionmaking. This measured but provocative book offers precisely that; an alternative way of...

Affective Intelligence and Political Judgment | Request PDF

Affective Intelligence and Political Judgment by Marcus, Neuman, and MacKuen There is an ongoing debate on whether the electorate is competent enough to make sound political decisions. Some scholars have proposed that the influence of affects should also be discussed in the debate. Consequently, there is a growing literature on the influence of emotions,

Review of Affective Intelligence and Political Judgment ...

Perhaps it is ironic that a book about rational judgment is entitled Affective Intelligence. This is a rousing and provoking effort, with an unmistakable double agenda. One objective is to dispute conventional wisdom regarding the relationship between affect and reason, especially the rational choice vision of political judgment.

Political Psychology, Vol. 23, No. 1, 2002 BOOK REVIEWS Affective Intelligence and Political Judgment. By George E. Marcus, W. Russell Neuman, and Michael MacKuen. Chicago: University of Chicago Press. 2000. 199 pp. Few scholars have done as much in the past decade as George Marcus, Russell

BOOK REVIEWS - JSTOR

title = "Emotion and Political Judgment: Expectancy Violation and Affective Intelligence", abstract = "What factors prompt citizens to switch from a partisan judgment strategy, one in which they reflexively side with the in-group in policy and electoral contests, to a more thoughtful one, in which they pause to consider additional information?"

Emotion and Political Judgment: Expectancy Violation and ...

Intelligence and Good Judgment Posted December 28, 2009 by Robert Hogan It is hard to overstate the importance of the concept of intelligence for applied psychology; intelligence testing may be the most important single contribution psychology has made to larger society.

Intelligence and Good Judgment | Hogan Assessments

'Affective Intelligence and Political Judgment is a great read—beautifully written and elegantly crafted—which makes a major advance in the analysis of political learning. Moving beyond the standard dichotomy of reason versus emotion, the authors make a compelling case that emotions reinforce and complement rational calculations.
