Alien Rampage has no connection to either the "Alien (s)" nor the "Rampage" franchises. It's a great looking 2D platform shooting game. (But it's not Alien Carnage, a game by Apogee Software/3D Realms. Lots of games with Alien in the name!) The game's graphics and animations, as well as the abnormally large sprites including your own character, add greatly to the experience.

Alien Rampage is a 2D side-scroller with large animated sprites and multiple layers of parallaxing backgrounds. You are a lone angry alien dude with a bad attitude. You crash landed on an inhospitable planet, and thus you set out to get back to a ship so you can leave this horrible place. To make it, you'll blast hundreds upon hundreds of nasty creatures, enemy bounty hunters, and you'll use some pretty impressive weaponry to do it.
