...

An Alchemy of Mind, through its beautiful and electric prose, takes its readers on a journey to understanding the mysteries of the brain and the marvel of the mind. "It distills the hard, objective truths of science in order to yield vivid, heavily anecdotal responses to a range of existential questions regarding consciousness, human thought, memory, and the nature of identity."

female brains.

Summary and reviews of An Alchemy of Mind by Diane Ackerman

Alchemy, at least as followers of Carl Jung understand it, isn't about trying to transform lead or other metals into gold. Instead, perhaps there were some people who carried out the true secret of alchemy: symbolically reversing the material, earthly, and unconscious for spirit, consciousness, and meaning.
