Animals And Why They Matter

Animals and Why They Matter examines the barriers that our philosophical traditions have erected between human beings and animals and reveals that the too-often ridiculed subject of animal rights is an issue crucially related to such problems within the human community as racism, sexism, and age discrimination. Mary Midgley's profound and clearly written narrative is a thought-provoking study of the way in which the opposition between reason and emotion has shaped our moral and political ...

Animals and why they matter (Book, 1983) [WorldCat.org]

Animals and Why They Matter by Maxwell G.Lee IVU Newsletter - October 1995. It is often claimed, especially by certain religious groups, that animals were put on Earth for people to use as they think fit. This point of view helps explain the extent of human misuse of the animal kingdom.

Animals and Why They Matter

For example, in her recent book Why Animals Matter, Marian Dawkins concludes that we still don't really know if other animals are conscious so the reason they matter is because of what they can do...

Why Animals Really Matter | Psychology Today

Why Do Endangered Animals Matter? A study in 2015 found that the extinction rate has increased a hundredfold over the last century—mainly due to human causes. But the questions remains: So what? Why does it matter? The short answer is: to preserve the ecosystem.

Endangered Animals and Why They Matter - WHYSgiving

Mary Midgley, "Animals and Why They Matter" "Science is not just an intellectual game, carried on among a set of human players. It is a genuine attempt to explore the universe. Among the parts of that universe which are within our reach, the other animal species which share our planet with us are a most significant part.

Animals and Why They Matter by Mary Midgley ...

The main character, who also appears in Coetzee's novel Elizabeth Costello, is concerned with the moral status of animals, a subject Midgley addressed in Animals and Why They Matter, and discusses at length the idea of sympathy as an ethical concept, a subject Midgley wrote about in Beast and Man. Andy Lamey wrote that the result of these and other similarities is that Coetzee's work "evoke[s] a particular conception of ethics, one very similar to that of the philosopher Mary Midgley.

Mary Midgley - Wikipedia

Animals and Why They Matter. Mary Midgley. University of Georgia Press (1983) Authors Mary Midgley Newcastle University, UK Abstract Whether considering vegetarianism, women's rights, or the "humanity" of pets, this book goes to the heart of the question of why all animals matter. Keywords ...

Mary Midgley, Animals and Why They Matter - PhilPapers

Their answers have depended both on what they take an animal to be and on what they consider to be the cause, the nature and the range of obligations. Descartes, for example, considered that, because animals lacked souls and, more importantly, reasoning faculties, they are mere machines.
