Beekeepers Journal

American Bee Journal.

The American Bee Journal was established in 1861 by Samuel Wagner and has been published continuously since that time, except for a brief period during the Civil War.

The Journal has the honor of being the oldest English language beekeeping publication in the world.

Making splits, adding brood boxes and honey supers are keeping this beekeeper busy. There are many things I am checking, observing and doing for the hives and it can be difficult to remember it all. In order to remember what was going on in each of my hives between inspections or even from season to season I find it helpful to use a beekeeping journal.
