Thus, it is the Anglo-American voice which discloses best the character of trusteeship in international society, that goes furthest in charting the space between anarchy and society. Virtue, Inequality, and Tutelage This journey through the conversation of trusteeship reveals a character that is intelligible in a particular relation of virtue, inequality, and tutelage.

## **William Bain (lecturer) - Wikipedia**

The idea of trusteeship in international society originates in late 18th century British India. The purpose of this chapter is to examine the emergence of trusteeship as a justification of political power in territories administered by the East India Company. The chapter has five sections: From Merchant to Sovereign in British India; The Claim to Rule; The Relations of Ruler and Subject; The ...
