While the Big Band Era suggests that big bands flourished for a short period, they have been a part of jazz music since their emergence in the 1920s when white concert bands adopted the rhythms and musical forms of small African-American jazz combos. While their place in popular culture dimmed greatly since their heyday in WWII, modern big band has made a resurgence, with the Roy Hargrove Big ...

The Grammy Award for Best Instrumental Composition (including its previous names) has been awarded since 1960. The award is presented to the composer of an original piece of music (not an adaptation), first released during the eligibility year. In theory, any style of music is eligible for this category, but winning compositions are usually in the jazz or film score genres.
