In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Bookends are a relatively new technology. The familiar L-shaped metal kind were first patented in the 1870s. 1 It took some decades before the term became common parlance: the Oxford English Dictionary records 1907 as the first year the term “book end” appeared in print. 2

bookends | Books, Health and History

A good book can enrich a mind, spur a life-changing epiphany, or transport a reader to a minutely detailed universe hatched from an author’s imagination. A good pair of bookends can’t promise all that, but they can sure add a lot of character to a room. Bookends are like punctuation marks on a shelf,...

Bookend scenes are a fabulous technique you can use to show how your character has grown over the course of the book. In the opening chapters, you write a scene that your character experiences as the story opens, and then at the end you put him in a similar scene and show the reader, by his new reaction to that same set of circumstances, how much he's grown and changed.
