Cafe Racer - Season 1 - IMDb

I was recently contacted by Arnaud Richard who is part of a team who are working to release a Cafe Racer interactive web-documentary titled 'Today is a Good Day'. The project involves interviewing some of the most influential characters in the Cafe Racer scene right now and their chasing funding via Kickstarter to finish it off and hopefully turn the whole project into a full length feature film.

In an age when garages that have produced one or two custom cafe racers court fame and celebrity like reality show contestants, it's refreshing to meet a builder content to let his work speak for him. Such a guy is the humble and extraordinarily talented Mike "Woolie" Woolaway, featured in this issue's cover story.

caferacermag.com

A café racer is a lightweight, powerful motorcycle optimized for speed and handling rather than comfort – and for quick rides over short distances. With bodywork and control layout recalling early-1960s Grand Prix road racing motorcycles, café racers are noted for their visual minimalism, featuring low-mounted handlebars, prominent seat cowling and elongated fuel tank – and frequently ...

Cafe racers came to popularity in the 1950's on the streets of England. It was a subculture born out of the rock n roll music scene. Back then, traditional rock n roll music was very fast paced and incredibly raw. Those that loved the music saw it become a huge influence on their lives, particularly in what they drove. Soon, rockers wanted ...
