Yorkshire Walks - How do they film it ? ... Obviously the camera is on a stick as you can see It in shadows and a few of the long shots, so the stick is somehow digitally removed. I don't know if that's done in post production or if the camera is automatically doing it as recording.

Yorkshire Walks - How do they film it ? — Digital Spy

It puzzled me for quite a while but eventually I realised the camera somehow digitally removes the selfie stick from the image. It is a lovely series of "slow telly" in a gorgeous part of the country - I've not done the exact walks but have been walking a lot in that area. More please BBC!
