Canon PIXMA All-in-One Inkjet Printers | Canon Online Store

Only cameras and digital camcorders that are Canon's PictBridge or Bubble Jet Direct compatible will be able to print directly to this printer. I must admit that this is a very small flaw, since nearly every picture will be viewed on a computer before someone wants it printed, and often pictures need a little work (removing CCD noise, brightening, etc.) before they're good enough to be printed.
