Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.

SOC Medi-Cal is an important resource for individuals who might have higher incomes but who find that they cannot afford the cost of long-term care. However, Medi-Cal only lets long-term care residents keep a very small personal needs allowance (\$35-\$50/month) when they have nursing home fees paid by SOC Medi-Cal.

En español | More than 16,000 nursing home residents and staff have died from COVID-19, representing roughly a quarter of the nation's known coronavirus deaths. While dire, this figure is an undercount, experts warn, because not all states are publicly reporting data yet. In some states, more than half of coronavirus deaths have come in nursing homes.
