CASTI Guidebook to ASME Section VIII

CASTI codes and standards courses are developed and taught by highly knowledgeable and experienced instructors, who are or have been Code committee members. We not only teach "what" is in a Code or Standard, but more importantly, "why" it is there.

CASTI

This newly updated (1999) CASTI guidebook is filled with practical examples, used to explain ASME IX code rules so that code users can walk their way through welding procedure qualification requirements. It also contains the finer details of welding procedure specifications to provide clarity, even to the experienced code user.
