Civil engineering - AccessScience from McGraw-Hill Education

Civil engineering has registered the lowest placement rate of a mere 38% between 2012-13 and 2015-16 among six engineering streams approved by the All India Council for Technical Education (AICTE). At a time when the construction sector is one of the fastest growing, this apparent lack of demand for civil engineers comes as quite a surprise. Data from the AICTE shows that over this period ...
