Configurational Comparative Methods Qualitative Comparative

Configurational comparative methods: Qualitative Comparative Analysis (QCA) and related techniques/ [edited by] Benoît Rihoux, Charles C. Ragin. p. cm.— (Applied social research methods series; 51) Includes bibliographical references and index. ISBN 978-1-4129-4235-5 (pbk.)

Configurational Comparative Methods: Qualitative ...

Configurational Comparative Methods paves the way for an innovative approach to empirical scientific work through a strategy that integrates key strengths of both qualitative (case-oriented) and quantitative (variable-oriented) approaches. This first-of-its-kind text is ideally suited for "small-N" or "intermediate-N" research situations, which both mainstream qualitative and quantitative methods find difficult to address.
