The book focuses on constitutional and political history, and constitutional development concurrently. It includes a liberal humanitarian reading of the travails of lawmakers and the role of generals, judges, politicians, and bureaucrats in the implementation of law.

Constitutional and Political History of Pakistan Third ...

Political history is the narrative and survey of political events, ideas, movements, organs of government, voters, parties and leaders. It is interrelated to other fields of history, especially diplomatic history, as well as constitutional history and public history. Political history studies the organization and operation of power in large societies. By focusing on the elites in power, on their impact on society, on popular response, and on the relationships with the elites in other social hist
