"Worth the price of the book alone is Volandes' easy-to-follow guide for determining and making known one's end-of-life wishes." - Booklist "Written with passion and clarity, this book moves beyond others on the topic by including empirical evidence of how to make such conversations about end-of-life care most effective." - Library Journal

The Conversation: A Revolutionary Plan for End-of-Life ...

Talking about end-of-life wishes is one of the most important conversations to have because it's not actually about dying. It's about how your older adult wants to live during their last months, weeks, and days. And when others know their preferences, they'll be able to die on their own terms. But you're not a mind reader.
