Counselling and Psychotherapy in Contemporary Private ...

Though still firmly located within the medical profession, Freud's development of psychoanalysis contained two foundational insights that continue to inform much (though not all) contemporary counselling and psychotherapy. They are firstly, the importance of the relationship between therapists and their patients; and secondly, the idea that the origins of some psychological difficulties are not fully accessible to conscious rational thought.

Counselling & Psychotherapy History

The term "counselling" is of American origin, coined by Carl Rogers, who, lacking a medical qualification was prevented from calling his work psychotherapy. In the U.S., counselling psychology, like many modern psychology specialties, started as a result of World War II.

Counseling psychology - Wikipedia

Lago and Thompson (1996) and Lago (2006) describe how cultural beliefs affect psychotherapy. The idea that counselling can repeat the colonising process is of concern to Rachael Tribe (1999a) and later she explores the relationship between a culture and its healing rituals (Tribe 1999b). Beiser (2003) describes how collective societies have ...
