AMC Transmission Repair | Clutch | Differentials | Portland OR

The Buick 225 V6, available with an optional automatic transmission in the Jeepster Commando, used the same 'hailhead' pattern TH400. Starting in 1973, AMC discontinued the use of the adapter ring, as it sourced a TH400 case from GM with the AMC bellhousing pattern already cast. The TH400 AMC case was used until the end of 1979 model production.

Even though AMC and Volvo used this same transmission, those Volvos are widely respected in the automotive world, but AMC products are not viewed with the same respect. And this unfair bad reputation on these earlier AMC automatic transmissions might be among the best places to start for any AMCer who strives to repair and improve the ...
