I thought this was a new trend that was happening everywhere, but apparently not.

Manual or DSG: Test Drive : tdi

Every gearhead swears by the driving fun of manual transmission. It's more thrilling and fun because shuffling gears makes every driver feels like driving a racing car. The budget-shoppers are also a fan of stick shifts because their prices are a bit less than the cars with an automatic transmission.

Are Manual Transmission Cars More Fuel Efficient Than ...

Traditional automatic transmissions can also beat manual fuel economy. Today's automatics tend to have more forward gears (those are gears that move the car forward, not in reverse) than manual transmissions do. Those extra gears help the engine deliver the same power to the wheels while working at a lower engine speed, which saves gas.

Which has better fuel economy: manual or automatic ...

DSG = faster, more fuel efficient. Awesome "fart" sounds while shifting. manual = more fun, more focused, less boring, more connected feeling. I will buy manual transmissions until they're no longer available. Learning how to drive a stick really well is very satisfying; and you'll never feel more connected to your car. YMMV.
