While Ego and Archetype deals with the themes of sin, repentance and atonement, the theories advanced are naturalistic and not religion-bound. Edward Edinger elaborates on these themes masterfully, and any reader who considers them to be at the heart of the human condition will cherish this book.

'Ego and Archetype' is a truly important book in that it masterfully summarizes the main tenets of Jungian psychology (the collective unconscious, individuation, the ego-Self relationship) in a language that is both accessible and intellectually sound.
