### Empires Of The Word A

Nicholas Ostler's Empires of the Word is the first history of the world's great tongues, gloriously celebrating the wonder of words that binds communities together and makes possible both the living of a common history and the telling of it. From the uncanny resilience of Chinese through twenty centuries of invasions to the engaging self-regard of Greek and to the struggles that gave birth to the languages of modern Europe, these epic achievements and more are brilliantly explored, as are ...

### Empires of the Word: A Language History of the World ...

Possible and informal empires. These governments, confederations and other entities have sometimes been informally referred to as "empires". Some did not fit the modern definition of empire (e.g. the Delian League), some were self-proclaimed by their first and often last ruler, others were short-lived attempts to turn an existing government into an empire, and there are also instances of the ...
