Access Free Family Ties In Victorian England

It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Family Ties In Victorian England

Defining family to include the extended family, the foster or adoptive family, and the stepfamily, Nelson considers different roles within the Victorian household in order to gauge the ambivalence and the social anxieties surrounding them—many of which continue to influence our notions of family today.

...

Drawing upon a wide variety of 19th-century fiction and nonfiction, Nelson examines the English Victorian family both as it was imagined and as it was experienced. For many Victorians, family was exalted to the status of secular religion, endowed with the power of fighting the contamination of unchecked commercialism or sexuality and holding out the promise of reforming humankind.

Family ties in Victorian England (eBook, 2007)

[WorldCat.org]

The Victorian age was the first in which childhood was recognised as a distinct and precious phase in life. Family life, embodied by the young queen, her beloved Albert and their nine children, was idealised. As in so much else, the Victorians proved to be richly imaginative when it came to entertaining children.
