Women's 1960s fashion was an extreme style and attitude from the start of the decade to the end. In the early years, the fashion idol was Jackie Kennedy with her perfect white pearls and tailored suit dresses. By the middle of the decade, supermodel Twiggy had women freeing their minds and bodies into clothing that didn't require any extra thought or effort.

In a dream about clothes, then, you may be searching to better communicate or understand your true inner self. If you are wearing a school uniform or standard business attire in your dream, you may be feeling as if you are misunderstood or unheard. Nobody listens to your input, or else you do not contribute as much as you would like to.
