### Fighting For American Manhood How

In "Fighting for American Manhood: How Gender Politics Provoked the Spanish-American and Philippine-American Wars", Kristin L. Hoganson argues, "To fully understand the descent into war, we need to understand how contemporaries viewed the precipitating incidents, what seemed to be at stake in their diplomatic and political wranglings, and what assumptions they brought to their high-level meetings – and to do that, we need to understand something of their culture" (pg. 3).
