Final Cut Express 4 User Guide - jemitof.info

Rick Young's Final Cut Express guide is the best I've found, and I've checked out half a dozen. His breezy, informative style is simple, clear and comfortable. Text is profusely illustrated with specific, detailed graphics shown nearby, often within the same paragraph, which greatly enhances learning.

Choose Final Cut Express HD > User Preferences. The General tab will appear as the front tab in the User Preferences window (Figure 3.6). Figure 3.6 Specify a number of general program preferences on the General tab of the User Preferences window.

Specifying User Preferences and System Settings | Final ...

Final Cut Express' interface was identical to that of Final Cut Pro, but lacks some film-specific features, including Cinema Tools, multi-cam editing, batch capture, and a time code view. The program performed 32 undo operations, while Final Cut Pro did 99. Features the program did include were: The ability to keyframe filters

Final Cut Express - Wikipedia

Final Cut Express has always used clip types—audio, video, graphic, and generated—to identify clips that reference different types of source media. FCE uses a different class of clip types—subclip, merged clip, and sequence—to identify clips that reference a portion of another clip (like a subclip) or multiple clips (like merged clips and sequences).
