Financial Fiasco How America S Infatuation With ...

Financial Fiasco is a book by Swedish writer Johan Norberg. The text traces the causes of the late-2000s financial crisis, showing the mistakes made in by the Federal Government in Washington D.C., politically connected finance institutions on Wall Street, and in communities across America that led to the economic meltdown. While many analysts have placed the blame solely on Wall Street, Norberg exposes the crucial role government regulation played in creating the opportunities and ...
