Five Golden Rings And A

"Five gold rings" has often become "five golden rings", especially in North America. In the standard melody, this change enables singers to fit one syllable per musical note. The gifts associated with the final four days are often reordered. For example, the pipers may be on the ninth day rather than the eleventh.

In this game you must place golden rings on an image, just above where you think the answer to the question is. If the golden ring covers the correct answer you will accumulate points. If you fail, you will lose the used ring. There are 5 different golden ring sizes. The smaller the ring is, the more you will have to refine the answer. The game ends when there are no rings left or the time ends.
