Flashpoint TP - InStockTrades

Flashpoint is a 2011 comic book crossover story arc published by DC Comics. Consisting of an eponymous core limited series and a number of tie-in titles, the storyline premiered in May 2011. The core miniseries was written by Geoff Johns and pencilled by Andy Kubert. In its end, the series radically changes the status quo for the DC Universe, leading into the publisher's 2011 relaunch, The New 52.

OCT138324 - FLASHPOINT TP - Previews World

Flashpoint was used to bridge the gap between the old DCU and the New 52. It's a shame that that is what the story is best known for since it cheapens the interesting "what if" story presented, when the inevitable changes to the overall status quo in the final pages are entirely incidental to the overall story of the book.
