In Flatland, what is the difference between Flatland and Spaceland? The narrator of Flatland is the only two-dimensional citizen who has been exposed to the idea of a three-dimensional world. All...

### **Flatland Questions and Answers - eNotes.com**

Explain your answer. I think that Abbott created Flatland to satirize modern society because polygons in a higher position in society get more privileges and are more respected than a low-class polygon. This is the way things worked in the Victorian era, because lower-class people had to work more and got lower education. Chapters 9-12

1. How does the image of a penny on a table help readers visualize Flatland? By drawing back to the edge of the table, gradually lower your head and you will find the penny becoming more and more oval to your view, and at last when you have placed your eye exactly on the edge of the table, which is actually how you see a flatlander, the penny will then have ceased to appear oval at all, and will have become, so far as you can see, a straight line.
