Mastering the Art of Food Styling

A food stylist is someone who showcases food for photography, video, or film. Making food photogenic is not as easy as one may think, and the best food stylists come to the job armed with a variety of tools and techniques to make food look both beautiful and appetizing. Food stylists need to understand the ins and outs of food preparation, photography, and videography in order to know how a particular food item can look its best.

What does a food stylist do? - CareerExplorer

Food styling is an art form, a science, a love for food, and a complete understanding of the limitations of food, and the amazing things it can do. I have hundreds of examples of the food not performing the way we wanted, and the food stylist saves the day. This is why I love them so much.
