Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Ford Everest Engine System

Ford unveiled the first generation Everest on March 2003 at the 24th Bangkok International Motor Show. Designed especially for Asian markets, the Everest shares 60 percent of the Ranger's components, including its 2.5-liter intercooled turbodiesel engine and the exterior styling from the front to the B-pillars. It was revealed that the development of the car costs US\$100 million including ...

The Ford Everest's exhaust system uses 'AdBlue' to reduce NOx tailpipe emissions; specifically, the urea solution is injected into the exhaust gases (downstream of the diesel particulate filter) to react with the NOx gases and reduce them to NO₂, O₂ and water. Ford estimates that the AdBlue tank should only need to be topped up every 15,000 kilometres.
