You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Free Market Fairness John Tomasi

Free Market Fairness is a 2012 book of political philosophy written by John Tomasi, a Professor of Political Philosophy at Brown University. Tomasi presents the concept of "free market fairness" or "market democracy," a middle ground between Friedrich Hayek and John Rawls's ideas. The book was widely reviewed.

Free Market Fairness - Wikipedia

Can libertarians care about social justice? In Free Market Fairness, John Tomasi argues that they can and should. Drawing simultaneously on moral insights from defenders of economic liberty such as F. A. Hayek and advocates of social justice such as John Rawls, Tomasi presents a new theory of liberal justice. This theory, free market fairness, is committed to both limited government and the ...
