FUNAI LF320FX4F PDF - garagekit.info

The LF320FX4F provides good LED display characteristics and overall competence for a low price point. Color rendering is good. As is common with low-cost HD flat-panel displays, fast-moving action scenes such as during football games do exhibit some blurring (good but not state-of-the-art refresh rate) but the video display quality is eminently satisfactory compared with other television sets in this price category.
