Futebol: The Brazilian Way of Life. Genre: sports. Since the 1950s, when Pelé first started playing, soccer has been how the world sees Brazil, but it is also how Brazilians see themselves. The essence of their game is one in which prodigious individual skills outshine team tactics, where dribbles and delicate flicks are preferred over physical challenges or long-distance passes, where technique has all the elements of dance and, indeed, is often described as such.
