How to Paint Citadel Miniatures is better because it looks at techniques that the Foundry does not cover. The biggest selling technique for me was using washes/inks. This book is not just about painting Golden Demon winning pieces. Games Workshop shows you quick techniques that look great on the table. This book is amazing!

Citadel Paints. Games Workshop produces a line of acrylic paints for painting miniatures, under the Citadel name. At the end of March 2012 the company announced a new range of over 145 colours made in the UK, which has since been expanded and reorganised. These paints are broken down into different types, each with a different intended purpose.

Okay, so before you put any of your paint to the model, you're going to need to prime your model. This is spray painting your mini so the rest of your paint stays on properly. Once you've selected your spray, be that a cheaper one from your local store, or one of Citadel's own cans, apply the following rules and you'll be golden:

A popular technique for painting Citadel miniatures is to use an airbrush for basecoats and layers, achieving a smooth, neat basecoat (or layer) in virtually no time. The Citadel Air paint range consists of 51 colours drawn from the Base and Layer range and specially formulated to be fired through an airbrush with no extra preparation.

uneven joins and slight gaps between the various components. If there is an uneven join use a Citadel File to fix it before gluing. If there are any gaps after assembly use Green Stuff or Liquid Green Stuff to fill them. Undercoating We recommend undercoating your miniature with Citadel Spray before painting.

### **Working with Resin Models.doc - Games Workshop**

Citadel Miniatures Limited is a company which produces metal, resin and plastic miniature figures for tabletop wargames such as Warhammer Fantasy Battle and Warhammer 40,000. In the past Citadel Miniatures was a separate company but it has become a brand for Games Workshop miniatures. Although its models are used for the wargaming hobby, the painting of its miniatures is a hobby in itself.
