Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Try to focus on facts, not opinions, and your own feelings. Criticize how you feel in the friendship rather than picking on your friend's annoying habits. You do not want them to feel attacked - nothing good can come from that (especially if you have mutual friends). Be aware that anything you say will likely be construed negatively.
