You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

Growing Up In A Lesbian

I didn't even know what a lesbian was, growing up in southern West Virginia in the 60's and 70's, and I wouldn't have realized that two women living together raising children were anything other than sisters or cousins. I wasn't raised with diversity in my world at all, not through the fault of anyone - just for lack of exposure.

It was basically about my aunt tying my mother to a bench in their garden growing up. However, the conversation gave me some of my first insight about my family's history on the subject. I knew that my mother had played similar types of games growing up which, was why she tolerated up playing tie up so well.

A trip to my aunt's part 4: Getting Caught
