Half a War concludes the Shattered Sea series. It's a decent conclusion to the Shattered Sea series but it is not his best work. All the previous protagonists (Yarvi Thorn and company) are still around, but the main protagonists are Koll, Raith, and princess Skara.

Half a War by Joe Abercrombie marks the conclusion of his Shattered Sea trilogy. Abercrombie is a perennial favourite of ours at the SFFWorld forums, but it strikes me that this latest series has received a less than enthusiastic response compared to his previous novels set in the world of the First Law , with some treating the book, ostensibly marketed as YA, as being "Abercrombie-lite".
