'Haunted Weather' serves as something  
between a travel diary, rich with  
descriptive examples of fascinating and  
unique performances, compositions,  
interviews, observations and memories,  
and a meditation on the relationships  
between sound, silence, performer and  
audience.

## **Haunted Weather: Music, Silence, and Memory by David Toop**

Haunted Weather is still just a compilation album and detractors of the format will not be converted, but it is a highly personal one, with a higher than average level of quality and interest. It's also remarkably easy to listen to, despite the challenging nature of the music it presents. And for that, it is a complete success.
