You can search category or keyword to quickly sift through the free Kindle books that are available. Finds a free Kindle book you're interested in through categories like horror, fiction, cookbooks, young adult, and several others.

### Heat Bill Nye Study Guide

Radiation is when heat beams or radiates from a warm object to cold surroundings. Sit in front of a window at night. Hold your hand up with your palm facing the window, then twist your wrist so your palm faces inside. You'll feel the heat radiate from your hand into the dark outside. Bill Nye the Science Guy shows you that the science of heat is hot.
