While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

History Of The Jews The

Jewish history is the history of the Jews, and their nation, religion and culture, as it developed and interacted with other peoples, religions and cultures. Although Judaism as a religion first appears in Greek records during the Hellenistic period (323–31 BCE) and the earliest mention of Israel is inscribed on the Merneptah Stele dated 1213–1203 BCE, religious literature tells the story of Israelites going back at least as far as c. 1500 BCE.

Jewish history - Wikipedia

Paul Johnson says that writing *A History of the Jews* was like writing a history of the world "seen from the viewpoint of a learned and intelligent victim." Johnson's history begins with the Bible and ends with the establishment of the State of Israel.

The Story of the Jews | PBS

The Jews have a 5,750 year history, tracing their origins to Biblical times. Evolving out of a common religion, the Jewish people developed customs, culture, and an ethical system which identified them as Jews regardless of their individual religious attitudes. The ancient Jews were both conquerors and the conquered.
