Homosexuality And The Politics Of

The first half of the book deals with the medical and psychological aspects of homosexuality as well as the politicking to change the DSM. The latter part is a quick insight to the secular and faith-based treatments along with an illuminating view of orthodox Judaism and homosexuality.

Homosexuality and the Politics of Truth: Satinover ...

Gay activists, working closely with mental health professionals for the past twenty years, have successfully shaped and promoted a new consensus on homosexuality that is a potent political force. This consensus is composed of three key propositions that fit the so-called "bio-psycho-social" model of mental functioning that is now in vogue.

Homosexuality and the Politics of Truth by Jeffrey Satinover

In Homosexuality and the Politics of Truth, Dr. Satin over presents a compelling case for traditional morality. He comes against several basic untruths ·commonly accepted as true by the media — and also by some church leaders.

Book Review: Homosexuality and the Politics of Truth, by ...

The impact of homosexuality on politics is obvious. Gay activists, working closely with mental health professionals for the past twenty years, have successfully shaped and promoted a new consensus on homosexuality that is a potent political force.

Homosexuality and the Politics of Truth - Orcutt Christian

The homosexual revolution began in Canada in 1969 when Pierre Trudeau engineered decriminalization of sodomy as part of his personal-versus-public-morality philosophy. Over the years, spurred by the decisions of Canada's politicized courts, the provinces added the vague term "sexual orientation" to their human rights acts.

Homosexuality, in this politics, is a cultural construction, a binary social conceit (along with heterosexuality) forced upon the sexually amorphous (all of us). This politics attempts to resist...

Gay Politics Collide with Personal Life | The New Republic

Homosexuality and the Politics of Truth is striking in the way it blends vigorous argumentation with genuine human empathy. Satinover writes like a good doctor who speaks hard truth because he cares for his patient's good. In the public square, Satinover is fiercely opposed to the scientific misinformation promulgated by gay activists.

I was twenty-eight. "I was born this way," I wrote, following with the most shattering high note of self-loathing I can think of: "If there ...

Choice as Strategy: Homosexuality and the Politics of Pity ...

To assume that there is an answer to this question that is not ultimately political is to assume that it is possible to determine, with the appropriate scientific methodology, whether homosexuality is a disease given in nature...The status of homosexuality is a political question... It requires a political analysis." (Pg. 4-5)

Homosexuality and American Psychiatry: The Politics of ...

Satinover's book, Homosexuality and the Politics of Truth (1996), published by the evangelical Christian publisher Baker Books, debates the nature of homosexuality from psychological, religious and scientific perspectives, discussing homosexuality primarily in the context of being a condition that can or should be treated, contrary to the views of the mainstream psychiatric and psychological community.

Jeffrey Satinover - Wikipedia

In 1973, after several years of bitter dispute, the Board of Trustees of the American Psychiatric Association decided to remove homosexuality from its official list of mental diseases. Infuriated by the Board's action, a substantial number of dissident psychiatrists charged the association's leadership with capitulating to the pressures of Gay Liberation groups, and forced the

Homosexuality and American Psychiatry: The Politics of ...

The first half of the book, which deals with the medical and psychological aspects of homosexuality, as well as with the political (not scientific) pressure behind the 1973 APA decision to drop homosexuality from its DSM, is great. The second half, a quick presentation of secular and faith-based treatments, is welcome.
