### The Amateur's Guide to Breaking 80 on a Consistent Basis ...

The key to breaking 80 is hitting it far enough while keeping it in play. Again, "far enough" is relative to the course you're playing, but "keeping it in play" should be easy enough to understand. Ultimately, you need a club that will put you in a position to go for the green most of the time without ever getting you into trouble.

### How to Break 80 - Plugged In Golf

If you're struggling to break 80, I suggest that you go play the front tees until you break 80 there. It's actually a bit harder than one would imagine, but I can assure you that breaking 80 from the front tees is much easier than the back tees, and it will give you the confidence you need to do it from the back tees!

### How to Break 80 | The DIY Golfer

Final Thoughts on Breaking Eighty. Since this happened, I've had half a dozen or so people ask me what I did to improve my game and break 80. The reality is I haven't done many of the things you'd expect. I rarely go to the range or practice putting, I just play a lot - usually over 100 rounds a year.

### How to Break 80 on the Golf Course - Breaking Eighty

If you're trying to break 80, you should have a go to shot for both your long and short games. The shot should be something you can execute at any time, even when there is a lot of pressure. The shot should also be very specific in the sense that you know exactly how far the ball will go and where you expect it to land.

### How to Break 80 in Golf: 3 Keys you must know to Achieve ...

If you normally play from 6200 yards, play one day from 5600 yards and see if your short game and mental side/course management is good enough to break 80. From here you can build confidence and see what breaking 80 feels like down that final stretch. Self Talk. I am a big believer in the power of self talk.

### How To Break 80 in Golf (Practical Guide)

In order to consistently break 80 you don't need to: Make many birdies (if at all) Hit a bunch of fairways (you can miss more than half of them) Hit a ton of greens (you can average as little as 6-7 a round) Drain putts from over 10 feet. Breaking 80 doesn't really look like most golfers think it does.

### Breaking 80 - The Complete Guide for Golfers

Golfers not aiming to go pro are more likely to be able to break 80 than break 70. Regular golfers can break 80 by getting experience golfing for years, hiring a good trainer and doing the correct practice for years. If you're a more talented golfer than normal, you could definitely break 80 in less than a decade.

### What Percentage of Golfers Can Break 70/80/90/100? - Golf ...

"How To Break 80 is the backbone of my success" My name is Terry Cain, and I come from Victoria, British Columbia Canada. I play out of Olympic View Golf Club. I have a 9 handicap, and have been playing at or near that cap for 3 years. It has been a struggle to break 80, and I would give my eye and teeth to do it consistently.
