How To Read A Man

How to Read A Man's Body Language. 01/30/2014 03:00 pm ET Updated Apr 01, 2014 Men can be extremely hard to read -- especially because the average man uses 13,000 less words on average per day than women. I have learned to decipher the difference between my husband's phlegmy grunt and his guttural hurumph. Then I realized there was a better way.

How to Read A Man's Body Language | HuffPost

A more subtle clue to look for if you're trying to read a man's body language is to take note of how he sits when he's next to you — particularly how he crosses his legs. "If a man crosses his legs in a way that turns his torso and upper body away from you, this could be a sign that he isn't interested," said Bennett.

How to read male body language - TheList.com

The narration is read from the top right corner, moving down the left. When properly read, it would say "Humanity had been emigrating excess populations to space for over half a century. Hundreds of enormous space colonies floated in orbit around the Earth."

How to Read Manga : 4 Steps - Instructables

A man's legs and feet may not be the most commonly used body language tools, but paying attention to them may still be informative. While in a sitting position, he may cross his legs purely for the sake of comfort, or as a way of separating or distancing himself from you.

How to Read a Man's Body Language | Our Everyday Life

This easy to read and relatively small book attempts to cover body language in a variety of areas of human interaction, and therefore barely scratches the surface in interpreting body language. You may not be able to read a person like a book just by reading this book, but this book is a decent introduction into body language.
